TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. **Failure to timely respond** to this notice will result in:

**Abandonment** of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

**Non-entry** of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 1C:

The fact that a Notice of Noncompliant Amendment was mailed 12/13/07 means that the amendment to the specification filed 9/24/07 in its entirety has not been entered. It is noted that the amendment to the specification filed 6/12/08 does not include much of the amendment to the specification filed 9/24/07. It is not clear whether those amendments are still intended. If yes, they need to be included in any new amendment.

The amended Title and Abstract do not include markings to show changes made.

Applicant is urged to contact the examiner prior to responding should there be any questions regarding this Notice.
